Modern Luxury

單位以奢華的會所式設計作引子，滲入濃濃的歐陸格調，再配搭雅致的藝術擺設點綴，為居室添上藝術氛圍。屋苑依山而建所以欠缺海景，設計師選用代表海洋的藍色，為單位注入水的元素，令單位有山又有水，洋溢大自然氣息。Blessed with high ceilings, an abundance of light and a spacious outdoor terrace, this 1,283 square foot apartment near Castle Peak Bay is modern yet inviting thanks to Danny Chiu.

1. 設計師為居室注入「水份」，結合屋外的園林景色，令單位充滿大自然氛圍。|| Decorated in sumptuous shades of blue, yellow and grey, the open-plan living and dining room is clean and contemporary, yet somehow still manages to maintain an air of warmth.

2. 牆上的壁畫、鏡飾及燈飾，為客廳添上藝術氛圍。|| To one side, an elegant dining table and matching chairs that were designed created by Chiu offer a perfect marriage with the distinctive Tom Dixon copper pendants up above.

客 飯廳以白色為主線，白色牆身與同色假天花互相配襯，兩廳均造有裝飾牆，以灰銀色牆紙及金屬飾面作點綴，增添時尚貴氣。設計師選用藍色作為全屋的焦點顏色，高雅而富有現代感。花園位於客廳出面，有一種伸延的感覺，庭園設有多個不同區域，用上戶外木佈置，帶來截然不同的觀感。

融合藝術

廳區造有一個假天花，將客廳與飯廳串連起來，統一視覺效果。客廳中央鋪上灰色不規則圖案的地氈，配上藍色長身梳化及兩張灰色單座位梳化，感覺舒適優雅。梳化背牆掛上一幅以白色和藍色做主題的掛畫，為客廳添上藝術色彩。飯廳掛有一組古銅色圓形吊燈，與長方形白色餐桌帶來對比，藍色餐椅與客廳的梳化互相襯托，感覺歸一。飯廳區的裝飾櫃設有清鏡，可將燈光折射出去，令飯廳更為明亮開揚，另一邊牆身綴有一組古銅色掛鏡，掛鏡由不同大小的圓形組成，典雅而富有藝術感。花園由原本的草地改為戶主喜歡的硬地台，並加上戶外

木粉飾，分成種植區、遊戲區、燒烤區及休閒區，各有各精彩。

自然氛圍

單位有四個房間，戶主希望主人房可與衣帽間連接，設計師於是將主人房與旁邊的客廳及另一房間打通，變成一個偌大的多功能主人房。主人房貫徹廳區的設計，牆身髹上白色，並搭配灰銀色及藍色，床頭牆掛有一幅特色掛畫，令房間添上藝術氣氛。書房是男戶主的專屬空間，設計較粗獷，假天花以水泥飾面批盪，傢俬選用金屬及木皮等材料，層次分明，再加上深色調子，冷峻型格盡現。衣帽間在書房隔鄰，是女戶主的私人空間，與書房有明顯的明暗對比。衣帽間以白色為主線，衣櫃頂加入滲光效果，再加上鏡飾，令房間明淨光亮，設計師亦以藍色作點綴，統一全屋設計風格。孩子房出面就是花園，設計師將園景引入房內，並選用大自然色系，地下鋪上草綠色地氈，上下格床設有窗戶及灰藍色籬笆，儼如小孩子的獨有庭園及小屋。

Tucked away not far from the tranquil shores of Castle Peak Bay, this 1,283 square foot pied-à-terre embraces a luxurious contemporary vibe that somehow still manages to feel fresh and inviting, inviting the natural sunlight and ocean blue undertones into the home. Designed by Danny Chiu and the creative team from his eponymous studio, the space seems to capture the essence of its neighbouring surrounds without compromising on warmth.

While the original layout comprised of four separate bedrooms, the owners were keen to make the most of their personal space. As such, Chiu and the team adjusted the floor plan in order to combine the master bedroom and bathroom with a guest toilet and another bedroom in order to create an

unusually-shaped but expansive suite that includes a dressing area and a study for the man of the house, perfectly meeting the needs of its occupants.

Decorated in sumptuous shades of blue, yellow and grey, the open-plan living and dining room is clean and contemporary, yet somehow still manages to maintain an air of warmth thanks to the lush verdant colours of the plants on the terrace, which leads off from the space. This terrace extends elegantly from the main living room almost like a second lounge thanks to the new design, which has been divided into clearly-define areas for gardening, playing, barbecuing and socialising. Underfoot, Chiu removed the original grass and replaced it with glorious wooden decking, creating a sense of continuity.

1. 客飯廳以一個白色假天花貫穿，飯廳裝有吊燈，客廳則鋪上地氈作分區。 || This terrace extends elegantly from the main living room, and has been divided into clearly-define areas for gardening, playing, barbecuing and socialising.

2. 飯廳設有一組儲物櫃並飾有清鏡，可反射光線，令飯廳更為亮麗。 || On one side of the dining room, an expansive mirrored display unit has been built in, creating a place where the owners can showcase their favourite objets d'art and wine decanters.

3. 廚房偌大，設計簡約實用。 || Surprisingly spacious for a 1,283 square foot apartment, the kitchen has been decked out with white cabinetry up top, warm wooden cupboards below and state-of-the-art appliances.

1. 主人房貫徹廳區風格，床頭牆掛有一幅壁畫，亦以藍色為主題，感覺統一。|| Featuring a blue padded headboard and complementary trellis rug on the floor, the master suite echoes the same oceanic undertones of the main living and dining room.

2. 設計師改動間隔，令主人房與衣帽間及書房連成一線。|| Designer Chiu adjusted the floor plan in order to combine several rooms to create an unusually-shaped but expansive master suite including a dressing area and a study.

3. 浴室以白色為主線，明淨簡約。|| Meanwhile, because of its diminutive size, the bathroom has been decorated almost entirely in white, glass and mirror, enhancing the sense of spaciousness.

4. 睡房選用白色傢具，配襯牆身對比鮮明的色彩。|| And finally, a second bedroom has been painted inviting shades of yellow and grey, housing house a small corner nook that plays home to a desk and several Star Wars figurines.
